

Students will need to dress for the weather as much of our day will be outside and a water bottle. Snacks and lunch will be provided. If you have dietary restrictions, inform your school staff and we will do our best to accommodate.

We are truly honoured by the number of community members who will be joining us to share their knowledge and wisdom with our students. We are grateful for our students who provided the rich ideas for the interactive sessions.

If you have questions or concerns, please contact Jodie.Mattia@wrps11.ca
